Sir:

REQUEST FOR NEW ACTION

The Office is requested to issue a new non-final Office Action in place of the Office Action mailed June 2, 2004, as the Patent Office failed to associate the undersigned's Customer Number with the above-identified application such that references listed on the PTO-892 Form attached to the Office Action mailed June 2, 2004, are not available to the undersigned or the applicant through the Patent Office website as advertised in the Notice attached to the Office Action. Specifically, the undersigned filed the Correspondence Address Indication Form June 2, 2003 and attached is a copy of the same along with the undersigned's postcard receipt from the filing of the same. The applicants are prejudiced by the Patent Office failure to associate

GOMES SANCHES, E. et al.
Serial No. 10/031,952

the undersigned's Customer Number with the above-identified application to allow the applicants to receive copies of references cited in the PTO-892 Form.

A new non-final Office Action with the date reset from mailing of the same in place of the Office Action mailed June 2, 2004, which allows the applicants access to copies of the cited patents is requested.

The Office is requested to contact the undersigned if anything further is required in this regard.

Respectfully submitted,

NIXON & VANDERHYE P.C.
